

ICM Stage 1 ARCP Requirements

Evidence from Core Training can be used to fulfil these requirements

1. **Competencies.** All competencies signed off (red dots turned green) at required level (at least 1 piece of evidence for each competency). Multiple competencies can be assessed by each WPBA.
2. **Top 30 cases.** At least 10 (5 per year) to be covered.
3. **DOPS.** Logbook evidence of at least 10 of the procedures listed in curriculum. 30 DOPS (15 per year) to demonstrate maintenance or progression of competence
4. **Logbook.** Including significant involvement, transfers and procedures
5. **Airway Skills.** Logbook >30 intubations (15 per year). CEX/DOPS to demonstrate progression, maintenance or achievement of competence at relevant level
6. **Educational Supervisor's reports.** Satisfactory for each placement
7. **MSF** 1 per year
8. **Expanded Case summaries** 4 (2 per year) at least to level 2 standard
9. **Audit/Quality Improvement project** 1 per year
10. **Teaching.** Evidence of formal teaching including feedback
11. **ST3 tutorial programme.** Evidence of attendance (2 may be missed per year if apologies sent to organiser and myself).
12. **Safe Airway Management in ICU (SAMI) Course.** Mandatory from August 2016.
13. **CPD.** List including evidence of attendance at M+M meetings and presentation at Journal Club. Reflection on content.
14. **Reflection.** At least 1 piece of clinical reflection
15. **An up to date CV**
16. **A plan re: examinations**
