

The Manchester Final FRCA Course

This course is based on themed days. There are 15 days arranged over a period of 4-5 months. It contains a mixture of lectures, seminars, tutorials and presented sessions. It has been fully revised and updated. Many tutors on the course are also present or past examiners for the FRCA examinations. Most days run from 8.30am – 5.15pm.

Venue

The course will be held at the following location :

The Nowgen Centre
29 Grafton Street
Manchester
M13 9WU

Refreshments

Coffee, tea and biscuits will be available.

Lunch

Lunch will be provided free of charge to all course participants. If you have any special dietary requirements please indicate on the booking form.

Accommodation

The course is non-residential. If accommodation is required, a hotel list is available on request. Please note, however, that participants are responsible for their own hotel bookings and payments.

Parking

Currently reduced-rate parking is only available at the Hathersage Road car park. Please bring along your NHS identification card for every course date to secure the reduced fee. Other cards are invalid.

More details re: parking will be announced closer to the commencement of the course.

Programme

The general course programme will be finalized prior to the course commencing and should be available around August/September. This will be accurate at the time of going to press and shall serve as a guide for the overall course content.

As the nature of the course content tends to be fluid each lecturer overseeing their particular dates shall be producing day-specific programmes. These will be e-mailed to you in advance of lecture dates.
