<b>Dr Tim Holzmann</b>	<b>ICM/acute medicine</b>	<b>Education</b>

**Junior doctor shift patterns:** Full shift. 3 tier rota.

**Consultant shift pattern:** 1:13 on call. Work 1:4.3 weekends

**ICNARC case mix:** Approx 1200 admissions/year. Roughly 50% neurosciences. >80% level 3

**Patient populations unique to unit (e.g. transplant, hepatobiliary, neuro, etc):** Neuroscience, renal, intestinal failure, tertiary dermatology, trauma

**FFICM exam practice (consultants willing to Viva):** All consultants willing to support exam preparation

**Frequency and type of governance meetings:** Weekly unit MDT meetings. One/month M&M, one/month clinical governance, one/month management

**Management opportunities:** In trust QI programme, strong unit input into RiCON and opportunity for trainee involvement in QI initiatives. Strong unit input into multiple trust initiatives which provide good opportunity for trainees to understand intra-hospital management

**Unit teaching programme:** Weekly protected teaching Thursday pm 2-4 pm. Based on e-learning education programme  
[www.classroom.stemlyns.org.uk](http://www.classroom.stemlyns.org.uk)

**Access to FICE accredited supervisors:** Dr Dan Horner and Dr Kate Bailey will be FICE accredited by April 2016

**Rota master and contact details:** Dr Serena Tolhurst-Cleaver  
([serena.tolhurst-cleaver@srft.nhs.uk](mailto:serena.tolhurst-cleaver@srft.nhs.uk))

**Other training opportunities available on the unit:**

We have a weekly cohort of 5<sup>th</sup> year medical students. We ask them to get involved in unit reviews and teach specifically about fluid therapy, sepsis and how to deliver a structured handover. Trainees are involved in delivering some of this educational content.

Structured microbiology ward round 3 times per week

Daily trauma MDT which includes radiology review

**Research opportunities:** Multiple trials ongoing on unit. Many opportunities to be involved in process of clinical trial research while working at Salford. D/W Dr Paul Dark ([paul.m.dark@manchester.ac.uk](mailto:paul.m.dark@manchester.ac.uk))

**Advanced year trainees:** 1-3 per attachment
