

The Manchester Final FRCA Course

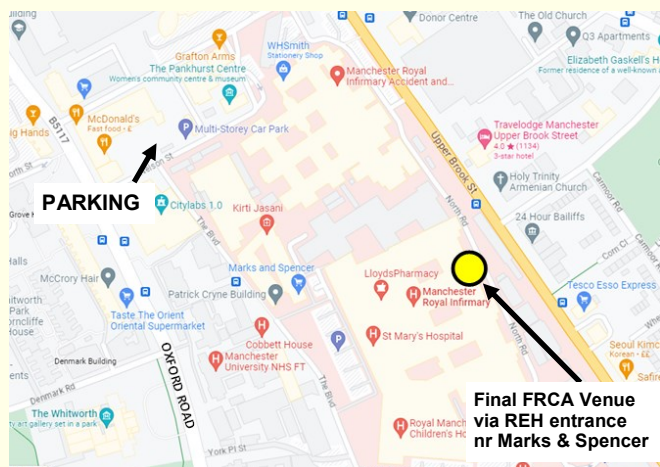

This is a **FACE TO FACE COURSE** based on themed days. There are 15 days arranged over a period of 4 months. It contains a mixture of lectures, seminars, tutorials and presented sessions. It has been fully revised and updated. Many tutors on the course are also present or past examiners for the FRCA examinations. Most days run from 8.30am – 5.00pm.

Venue

The course will be held at the following location :

**Department of Anaesthesia,
5th Floor, St Mary's Hospital
Manchester University Hospitals
Oxford Road, Manchester, M13 9WL
Tel: 0161 276 4558**

**Access via Lift H at the back
of the Royal Eye Hospital**

Refreshments

Coffee, tea and biscuits will be available.

Lunch

Lunch will be provided free of charge to all course participants. If you have any special dietary requirements please indicate on the booking form.

Accommodation

The course is non-residential. If accommodation is required, a hotel list is available on request. Please note, however, that participants are responsible for their own hotel bookings and payments.

Parking

Please follow the instructions below regarding the current car-parking policy.

The reduction only applies to the Grafton Street Car Park (see map left)

- Park on levels 0-2
- Report to the car park office on the ground floor with your NHS badge and vehicle registration
- You will be handed a voucher – retain throughout the day
- When returning to your car at the end of day, use voucher in the pay machine at the bottom of the car park stairwell
- Your full day parking will be reduced from £15 to £6

Programme

The general course programme will be finalized prior to the course commencing and should be available around early September. This will be accurate at the time of going to press and shall serve as a guide for the overall course content.

As the nature of the course content tends to be fluid each lecturer overseeing their particular dates shall be producing day-specific programmes. These will be e-mailed to you in advance of lecture dates.
