

Health Education North West

Intensive Care Medicine Advanced Trainees (Joint CCT)

Requirements for Assessment

As part of your ARCP assessment please submit the following documentation for the panel to consider, depending on the review you are attending:

Prior to commencement

10 signed off case resorts

Evidence of completion of basic and intermediate ICM: signed off competencies and Education Supervisors' reports.

Intermediate WPBA's - 2 DOP's, 2 CEX's, 2 CBDs and 1 MSF

Evidence of completion of relevant complimentary specialty

1 DOP's, 3 CEX's, 3 CBD's, 1 MSF for complimentary medicine

3 DOP's, 1 CEX, 1 CBD and 1 MSF for complimentary anaesthesia

Plan for the year

Interim

WPBA's: approximately 50% of competencies and WPBA's should be completed.

Audit or Quality Improvement Project

Teaching

Up-to-date CV

Evidence of CME

Record of attendance at the advanced tutorial programme

ICM logbook report. Please record cases with a "significant involvement," procedures and transfers as a minimum.

Plan for remainder of year

Final

Completed Form R. Absence will result in an outcome 2.

All competencies signed off.

All WPBA's signed off: 1 DOP, 2 CEX's, 3 CBD's, 2 ACAT's **per placement** (min 4 per for year), 1 MSF per placement

Evidence of involvement in Audit, Teaching and Management

Up-to-date CV.

Attendance at advanced tutorial days (2 days may be missed in the year if TPD notified in advance and apologies sent to tutorial organisers).

Appraisal documents from each placement signed off by faculty tutor.

Evidence of CME

ICM logbook report

Evidence of reflection

Plan for consultant applications/future career.

Please also bring your portfolio to the assessment as the panel may wish to look at it

Failure to submit all the above completed documentation on the day of the assessment may result in a Panel B.
