- Trainees in years ST5-7 will be allocated a session to organise in conjunction with the college tutor for ICM at the suggested hospital.
- Topics and dates are a suggestion only.
- If you are intending on changing the suggested date; please let me know as soon as possible, as people will need adequate notice to alter study leave requests.
- Please bear in mind the curriculum when setting topics for your day; ideally mapping the lectures to the curriculum.
- Any questions or concerns, please let me know.
