28th October 19	Analgesia - intra & post-op, including LAs and basic neuroaxial.	East Lancs	Steven Tran

All Tutorials will take place at the Education Centre, Royal Albert Edward Infirmary, Wigan Lane, Wigan, WN1 2NN. The education centre is situated just down Wigan Lane from the hospital. Parking is at the Trust's Freckleton Street car park, just off Wigan lane (collect a ticket on the way in, and hopefully I will be able to arrange subsidised tickets to get out, making parking £2.50). Walk up Wigan lane from here, turn

left onto Clifton Crescent then right into the education centre car park (not adequate parking here so do not use). Access to the centre is at the back of the building.

Tutorials are on Mondays, 14:00 - 16:00 unless stated otherwise.
