	The sessions are not intended as a formal lecture format and should be interactive and relevant to exam material, such as MCQ work and			
	If required, please contact the post grad centre at Chorley District Hospital in advance to request PowerPoint, copying, etc.			
	The tutorial programme is designed to run as a ½ day programme separate from the primary course.			

	Inevitably with a programme over 12 months, changes will occur, therefore please cross check with the NW school website.			

1 viva type topics in order to give an indication of the type of material covered in the exam. Speakers can circulate material in advance to departn

mental secretaries for SHOs to prepare.
