## Lunch

Lunch will be provided free of charge to all course participants. If you have any special dietary requirements please indicate on the booking form.

## Accommodation

The course is non-residential. If accommodation is required, a hotel list is available on request. Please note, however, that participants are responsible for their own hotel bookings and payments.

## Parking

Please note the current position of parking at the Grafton Street multi-storey car park, opposite Nowgen.

**PARKING IS CURRENTLY FREE FOR THE DAY BUT THIS IS SUBJECT TO CHANGE AT ANY TIME. YOU WILL BE NOTIFIED OF ANY CHANGES BUT THE FOLLOWING RULES ARE CORRECT AS PER 16.6.2022.**

- \* Ensure that you park in an available space on the staff levels of Grafton Street Car Park (levels 3-7)
- \* Immediately after parking, visit the car park office on the ground floor and present your vehicle registration with NHS ID
- \* Exit the car park at the end of the day, as per usual

**Please note - failure to park on the correct level, or not presenting your details to the office will result in a parking fine, sent to your home address.**

## Programme

The general course programme will be finalized prior to the course commencing and should be available around early September. This will be accurate at the time of going to press and shall serve as a guide for the overall course content.

As the nature of the course content tends to be fluid each lecturer overseeing their particular dates shall be producing day-specific programmes. These will be e-mailed to you in advance of lecture dates.
